

W E L C O M E

1 Up Multimedia offers a complete range of professional media services to businesses and consumers locally and around the world. Quality of your finished project is our primary focus. Please select *Services* in the menu bar above for **details** on your areas of interest.

We offer professional CD duplication and DVD duplication complete with printed inserts, packaging and shrinkwrap; photo, slide, 8mm and 16mm home movie film transfer to data CD or DVD; custom record cutting, DJ dubplates and lacquer mastering for vinyl pressing; recovery and restoration of vintage or outdated media such as magnetic tapes or wire recordings, 78 RPM, radio transcription or Edison cylinder records; and videotape to DVD transfers from all formats including VHS, VHS-C, Video 8mm, Betamax, as well as industrial formats. Consultation is free and we welcome your questions or comments.

If you would like further information on any of our products or services, please **contact us** or call for an appointment. We look forward to serving you!
